Dear Monte:

We would like to congratulate you for your decision to participate in the **ROOTMAKER[®] CERTIFIED PLANTS, Grower Enhancement Program**. Enclosed are your certificate of participation and a CD containing RootMaker[®] and Whitcomb System[®] logos that you can use in advertising and marking your plants.

The program emphasis is to provide your customer with the peace of mind that the plants they are purchasing are the highest quality available. We encourage you to identify the plants that qualify as **ROOTMAKER[®] CERTIFIED PLANTS**. The certification is for the plant and can be passed to your customers and they in turn can pass it to their customers. **ROOTMAKER[®] CERTIFIED** tags are available through RootMaker[®] Products Company or can be made using vinyl tag equipment. If you have any questions or comments, please contact me.

Sincerely,
RootMaker[®] Products Company

Wayne Hinton
